

Parents Right to Know

ESEA Statute (Section 1112)(e)(1)(B)(ii)

What do I know about my child's teacher?

The federal education law put in place by the Elementary & Secondary Education Act (ESEA) requires that all parents in a Title I school be notified and given the opportunity to request information about the professional qualifications of classroom teachers and paraprofessionals instructing their child. You may also request information on the level of achievement and academic growth of the student, if applicable and available, on each of the State academic assessments. If you are interested in this information, you may send your request to the building principal who will provide a timely response.

Requests may be mailed to:

Dupree School District Elementary Principal
P.O. Box 10
